

HIVEFEST

Blockchain and Web3 conference

10-15 SEPT 2024 SPLIT CROATIA

EXECUTIVE SUMMARY

The Adriatic Sea is calling you

HiveFest returns to Europe

Learn, meet and create with fellow blockchain enthusiasts!

Hivefest is the annual event in Web3 and Blockchain, uniting global innovators, enthusiasts, and visionaries.

Organized by the Hive community, it is a dynamic hub where cutting-edge discussions and collaborations flourish.

Attendees explore the latest tech advancements and socio-economic impacts of decentralization. Beyond the agenda, networking opportunities abound, fostering partnerships and community bonds.

HiveFest isn't just a conference; it is a catalyst for ongoing contributions to decentralized tech. It embodies innovation, collaboration, and inclusivity, propelling the blockchain revolution with relentless momentum.

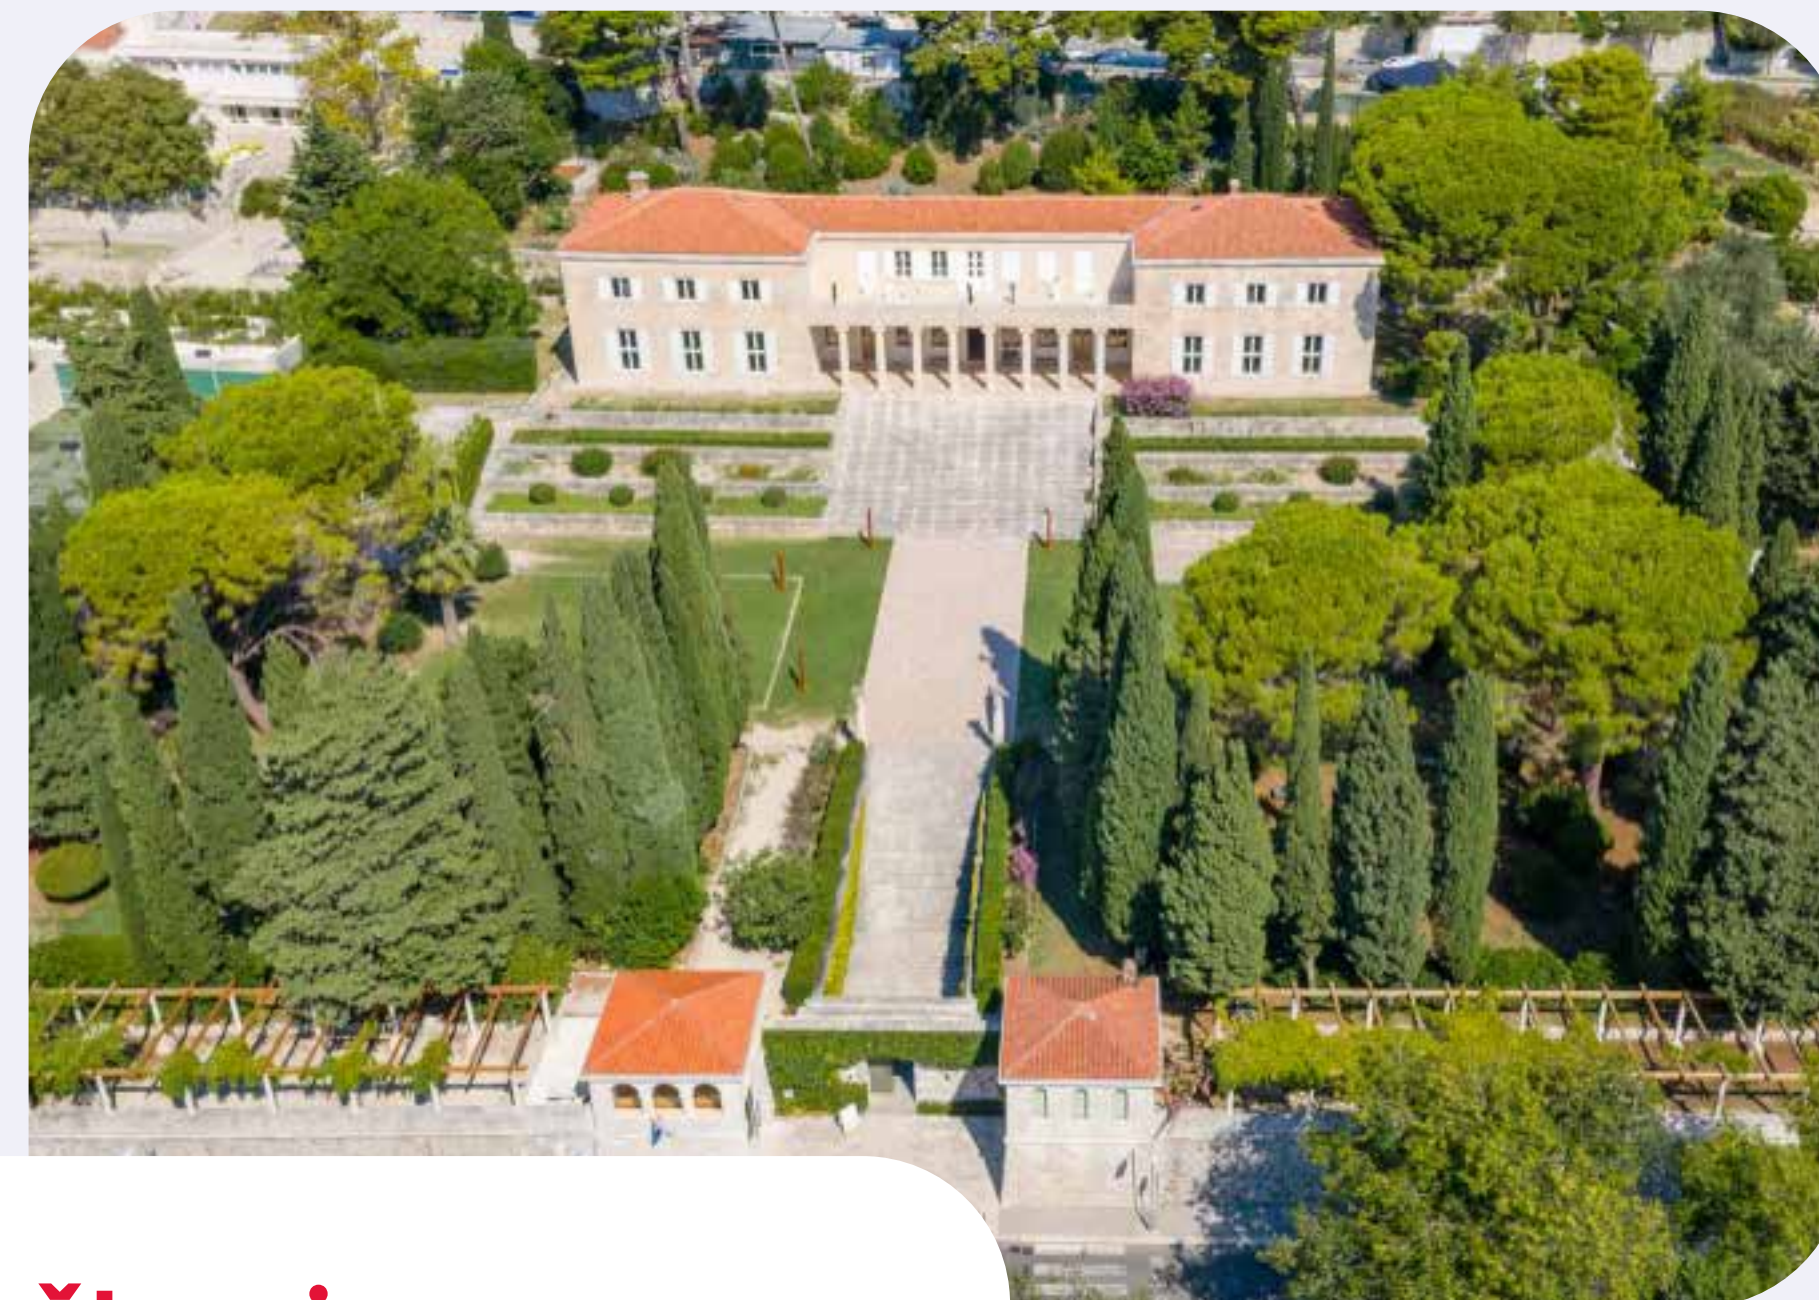

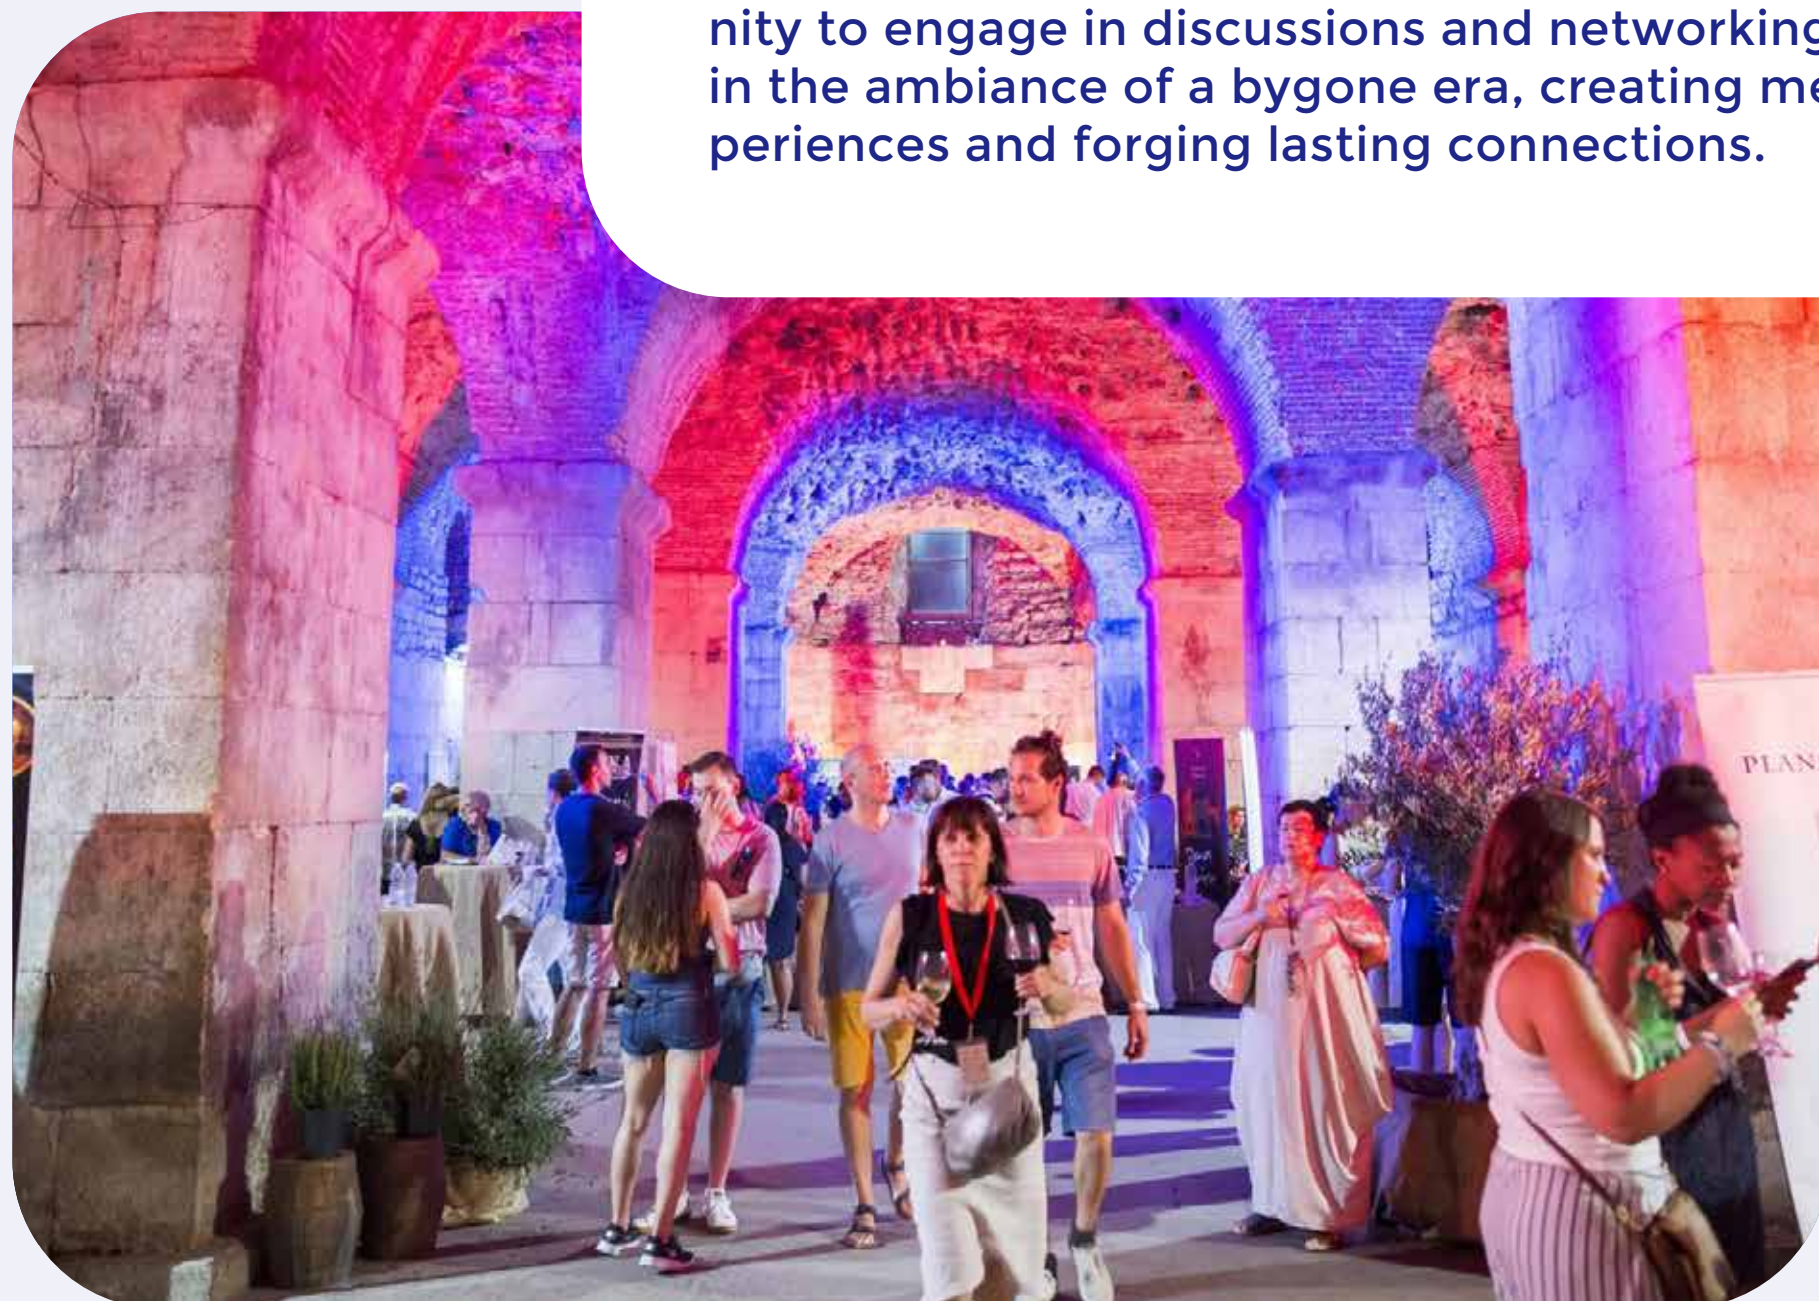

VENUES OVERVIEW

Explore the beauty of Split, Croatia

Roman Emperor Palace

An UNESCO World Heritage Site, offers a setting of unparalleled grandeur for hosting a conference, with its labyrinthine corridors and majestic courtyards providing an inspiring backdrop for an extraordinary event.

Amidst the palace's ancient walls steeped in over 1,700 years of history, attendees will have the unique opportunity to engage in discussions and networking, enveloped in the ambiance of a bygone era, creating memorable experiences and forging lasting connections.

Gallery Meštrović

Located in the historic city of Split, Croatia, Gallery Meštrović resides within the artist's former summer residence, imbuing every visit with a sense of both artistic brilliance and architectural splendor.

Surrounded by lush gardens and overlooking the Adriatic Sea, the venue provides a tranquil and inspiring setting to appreciate Meštrović's exceptional artistic legacy.
